

Content of this issue

Volume 31, Number 1, March 2019

- | | | |
|--|--|-------|
| 1. Rurie Shantiningsih
Suwalddi
Indwiani Astuti
Munakhir Mudjosemedi | B-Carotene gingival mucoadhesive patch on Cx-43 and 8-Oxo-dg expression to prevent micronucleus formation due to panoramic radiography exposure | 1-6 |
| 2. Supriatno | Docetaxel hydrate induces apoptosis and suppresses tumorigenesis of oral Burkitt's lymphoma cells (in vitro and in vivo studies) | 7-13 |
| 3. Reza Afri Imelda
Marry Siti Mariam
Mieke Hemawati Satari | Effect of cassava (<i>Manihot esculenta</i> crantz.), rice (<i>Oryza sativa</i> L.), and potato (<i>Solanum tuberosum</i>) water extract to decrease pH phase fermentation of <i>Streptococcus mutans</i> ATCC 25175 | 14-19 |
| 4. Nanan Nur'aeny
Irna Sufiawati
Oki Suwarsa
Dida Akhmad Gurnida | Serum IL-6 levels of atopic patients with recurrent aphthous stomatitis (RAS) | 20-24 |
| 5. Anna Muryani
Hendra Dian Dharsono
Zuleika
Mochammad Moelyadi
Fajar Fatriadi | Velocity and wall shear stress of 18% EDTA irrigation solution flow in the removal of Ca(OH)_2 with computational fluid dynamic analysis | 25-31 |
| 6. Ng Hui Lin
Eky Soeria Soemantri
Gita Gayatri | Changes in soft tissue facial profile of class II skeletal malocclusion patients with retrognathic mandible treated with twin block appliance | 32-37 |
| 7. Diani Prisinda
Yuti Malinda
Yurika Ambar Lita
Sri Tjahajawati | Diagnosis determination of chronic periapical abscess case using imaging radiography software and microbiological examination in female patients | 38-46 |
| 8. Fidya
Astika Swastirani | Differences of inter-canine distance on dental cast model, wax impression tracing, radiograph of dental impression tracing, and dental cast tracing methods of human bite mark | 47-52 |
| 9. Ameta Primasari
Veronica Angelia
Dimas Agara | Differences in head size and shape during the growth of Deutero Malay children | 53-59 |
| 10. Zahara Meilawaty
Agustin Dharmayanti
Dinar Prafitasari | The effect of cassava (<i>Manihot esculenta</i>) leaf extract on COX-2 expression in the neutrophil cell culture exposed to the lipopolysaccharide of <i>Escherichia coli</i> (in-vitro study) | 60-66 |
| 11. Anindhita Cindy Felicia
Vinna Sugiaman
Natallia Pranata | Viability of fibroblast cells on the clove (<i>Syzygium aromaticum</i>) leaves ethanol extract | 67-72 |
| 12. Annisya Arwidasari
Twi Agnita Cevanti
Isidora Soewondo | Effectiveness of Sargassum sp. ethanolic extract on traumatic ulcers healing in the labial mucosa of Wistar strain (<i>Rattus norvegicus</i>) | 73-78 |
